Amare Diotte

[diotte.am@northeastern.edu](mailto:diotte.am@northeastern.edu)

diotte-am

I designed the layouts:

<https://www.figma.com/file/7iNaPEw8a4HApMGEmpuDR/Better-Together?node-id=0%3A1&t=VjPFT26onlywBJlb-1>

I also implemented everything on the registration page, profile page, and settings fragment  
Database logic for profile, registration, and login

Alexis Florence

[florence.al@northeastern.edu](mailto:florence.al@northeastern.edu)

I designed the activity layout

Implemented the streaks code & updated database with activity streaks & date.

Implement Activity buttons and pop ups.

Rodolph Mesadieu

[mesadieu.r@northeastern.edu](mailto:mesadieu.r@northeastern.edu)

I designed the post and home fragment layout

Implemented the recycleview, adapter, and post item card

Updated database with posts and ability to populate posts

Kevin Heleodoro

[heleodoro.k@northeastern.edu](mailto:heleodoro.k@northeastern.edu)

(Will send email)
